

By the King of the Carnival

Rex, the King of Carnival, sends Greetings, and regrets that the Pandemic that has Afflicted His Beloved Capital City will not allow Him to make His Annual Visit to celebrate the Joyful Carnival Season with His Faithful Subjects.

We are Saddened, and send our Deepest Condolences to All who have suffered Loss, and encourage All to follow the Guidance of Those who seek to keep Our Subjects Safe, that We might Celebrate Again Together.

We look Forward with Great Anticipation to the Year of Our Lord 2022, when We promise to Return and Renew our Carnival Traditions, and to celebrate the 150th Anniversary of Our Glorious Reign in Our Beloved Capital City of New Orleans.

We trust, in Our Absence, that Our Subjects will find ways to Safely Celebrate the Joys of this Carnival Season, Preserving our Traditions in Anticipation of Their Joyous Renewal in 2022.

We Will Never, Ever Cease to Love.

By My Own Hand,

Rex

His IMPERIAL MAJESTY,

King of the Carnival
